SUMMARY

Data Analyst with three years of experience in libraries, museums, and higher education. My professional background has taught me the critical importance of documentation for data retrieval and how to balance attention to detail with the big picture to tell an accurate and compelling story. Passionate about data stewardship, data accessibility, and data's influence on public policy

TECHNICAL SKILLS

Languages | SQL, Python, JavaScript (D3.js)
Environments | Excel, Tableau, Visual Studio Code, PostgreSQL, Oracle, MongoDB

EXPERIENCE

Boatwright Library   **University of Richmond |** Richmond, VA
User Support Specialist   Jul 2019 – Present
- Decreased turn around on replacement copies of missing books by creating a collaborative, transparent reporting process
- Regularly leverage advanced Excel techniques and queries to investigate and correct hundreds of library data inconsistencies
- Represent User Support team on cross-departmental task force to test and customize library's public facing search interface
- Coach and mentor designated student staff through continuous technical training and conduct performance reviews
- Managed the transition of 12,000 media items during renovations with weekly staff updates to ensure item accessibility

The Valentine   **History Museum |** Richmond, VA
Neighborhood Tour Guide   Aug 2018 - Present
- Engage a diverse audience on walking tours of historic districts that explore the impact of our past on our present
- Updated flagship tour with new standardized route, content, and name leading to 75% attendance increase for the season

Archives Assistant   Jun 2017 – Apr 2019
- Increased online accessibility of 1500+ historic documents by creating finding aids in collections management system

Institute for Contemporary Art   **Virginia Commonwealth University |** Richmond, VA
Visitor Experience Associate   Mar 2018 – Jul 2019
- Standardized front desk procedures during institution's first year
- Collaborated with education department on data collection used for program assessment

Lucy's   **Restaurant |** Richmond, VA
Bar Manager   Nov 2016 – Nov 2018
Can Can Brasserie   **Restaurant |** Richmond, VA
Bartender/Private Dining Lead   Jun 2012 – Sep 2016
